Hull War, Strikes, Terrorism and Related Perils

Listed Areas

The Joint War Committee has recently reviewed the Listed Areas, last altered 14th September 2009, and has agreed the following change which is incorporated in the new list as attached.

Amended: Indian Ocean, the area beyond the eastern Somalia and Gulf of Aden areas out to 65E, south of latitude 15° N with the southern boundary being 11S but at 49E, the boundary shall extend due south then east along the latitude 12° S, but excluding the coastal waters of Kenya, Tanzania and Mozambique up to 12 nautical miles offshore.

Ports, places and coasts which feature on the list have been assessed by independent consultants to exceed an enhanced risk benchmark established by them. This list will be published on the LMA and IUA websites and will be accessible to all on www.lmalloyds.com and www.iua.co.uk.

The application of this list on individual contracts will be a matter for specific negotiation.
